

MAHARASHTRA STATE PHARMACY COUNCIL

IMPORTANT NOTICE TO ALL STAKEHOLDERS

SUBJECT: TEMPORARY DOWNTIME OF MSPC ONLINE REGISTRATION PORTAL FOR IMPLEMENTATION OF PRIORITY AREA 19 (PA 19) AND REFORMS UNDER EASE OF DOING BUSINESS (EODB) INITIATIVES

In accordance with the resolution passed by the Maharashtra State Pharmacy Council (MSPC), the official online portal (www.mspcindia.org) will undergo a planned system upgrade to implement Priority Area 19 (PA 19) reforms under Central Cabinet Directives and (EoDB) initiatives.

To successfully deploy the new Digi Locker-integrated workflow, the online registration portal will be temporarily unavailable during the following maintenance window:

Downtime Schedule

- Portal Downtime Starts: August 14 2026, at 6 PM
- Portal Restoration / Go-Live: August 19, 2026, at 10:00 AM

Important Instructions

- Service Suspension: Creation of new accounts, form submissions, document uploads, fee payments, and online status tracking will be suspended during this maintenance period.
- In-Progress Applications: Applicants with partially saved forms can complete and submit them before the downtime begins, or they may resume after the system reopens under the upgraded workflow.
- Phase-Wise Rollout: Upon restoration on August 19, 2026, the portal will launch with new streamlined features—including mandatory pre-login Digi Locker verification—in a phase-wise manner.

Stakeholders are requested to plan their applications accordingly. Detailed operating manuals and guidelines will be made available directly on the official website

By Order,

13th August 2026

Registrar, Maharashtra State Pharmacy Council
