

**IMPORTANT NOTICE REGARDING TEMPORARY POSTPONEMENT OF
DOCUMENT VERIFICATION**

To all concerned applicants,

This notice is directed to applicants possessing registrable qualifications (**D.Pharm / B.Pharm / Pharm.D**) from institutions outside of Maharashtra, as well as pharmacists currently registered in other states.

Pursuant to a resolution passed in the recent MSPC meeting, please be advised that allotment of in-person document verification appointments for the aforementioned categories have been **temporarily postponed until further notice**.

The Council has observed instances of applicants attempting to obtain registration through the submission of suspicious or fraudulent documentation. In the interest of public health and the integrity of the pharmacy profession, the Council is currently developing a **robust, scientific, and foolproof verification methodology** to be implemented for same. As per contention of MSPC members, this measure is essential to ensure that only legitimate professionals enter the healthcare workforce who will ultimately dispense medicines to general public.

The allotment of new appointment dates is deferred pending further directives from the Council/EC of MSPC. A formal notification will be posted promptly on the **MSPC website** once the scheduling process resumes. Applicants are advised to check the website regularly for updates.

We sincerely regret any inconvenience caused by this delay and appreciate your cooperation in maintaining the highest standards of professional registration.

By Order,

**President,
Maharashtra State Pharmacy Council**

**Registrar,
Maharashtra State Pharmacy Council**

Date: March 27, 2026

Place: Mulund, Mumbai
